

Glen Anderson Offers a Series of 6 Workshops on Nonviolent Grassroots Organizing Anywhere in our Pacific NW Region

This workshop series is intended for people who:

- Want to learn about nonviolence as not only ethical but also very practical and effective
- Want to learn how to organize effectively at the grassroots level around any kind of issue: local, national, global

These workshops are useful for novices and experienced organizers alike:

- People relatively new to nonviolence or grassroots organizing will gain knowledge, skills, inspiration, practical tools and resources.
- Experienced nonviolent organizers will deepen their insights, skills, inspiration – and discover new practical tools and resources.

The workshop involves thinking and talking, not physical activity. It's good for all ages and abilities.

Six engaging, participatory sessions offer powerful insights, practical methods, and many useful handouts:

- #1 “The Power and Practicality of Nonviolence – What is Nonviolence?”
- #2 “How to Strategize and Organize Effective Grassroots Movements”
- #3 “Organizing 101: Basic Nuts & Bolts of Grassroots Organizing”
- #4 “Using three different models to devise strategies to make progress on an issue you care about”
- #5 “Empowering the Progressive Movement”
- #6 “How to Get Your Message Out to the General Public”

Each 2-hour session includes ample time for questions/answers/discussions. If we schedule the 6-session series outside of the Olympia area, I'd like to do 3 sessions on one day and the other 3 on another day. This will make scheduling easier for everyone and will economize on travel.

Could you attract a variety of people working on a variety of issues? This series is equally useful for a group of people all working on the same issue. I'd be delighted to offer it for either single-issue or multi-issue participants.

I am donating my time and mileage in order to strengthen the movements for nonviolent grassroots organizing. Voluntary sliding scale donations will cover cost of the many, many handouts. If we average \$15 per person I'll break even on the printing costs. (I'm donating my time and mileage)

Glen started volunteering for peace and social justice movements in the 1960's and never stopped. He works especially to organize strategically effective nonviolent grassroots movements for a variety of issues.

Questions? Are you interested in scheduling this 6-session series?

Consider scheduling 3 on one day and the other 3 on another day.
