

Stop worrying about climate change! Stop worrying about sea-level rise!

Ford Motor Company has been helping the Trump Administration convince the feds to roll back Obama's fuel-efficiency standards. Now you can pollute all you want!

So what if the sea level rises? Buy your new Ford truck with the Sea-Level Rise suspension package!

This option is for most shorelines:

Here is our Super Florida option:

See your Ford dealer now! Tell them Donald sent you!
