

How to Make More Progress on Issues YOU Care About

The **series of 6 FREE workshops** listed in the box below can improve your skills and effectiveness for organizing at the grassroots for any kind of issue: peace, environment, climate, economics, social justice, and other issues YOU care about. I have conducted the series many times. Past participants have found these workshops enjoyable, informative, and practical.

Each 2-hour session includes time for discussion – and I'll e-mail you many practical handouts.

These workshops are powerful and practical for novices and experienced organizers alike:

- People without much experience at grassroots organizing will raise their consciousness with knowledge, skills, inspiration, practical tools and resources.
- Experienced organizers will deepen their insights and skills – and discover new practical tools and resources.

Six engaging sessions offer powerful insights, practical methods, and useful handouts:

- #1 "The Power and Practicality of Nonviolence – What is Nonviolence?"
- #2 "How to Strategize and Organize Effective Grassroots Movements"
- #3 "Organizing 101: Basic Nuts & Bolts of Grassroots Organizing"
- #4 "Using Three Models to Devise Strategies to Make Progress on an Issue You Care About"
- #5 "Empowering the Progressive Movement"
- #6 "How to Get Your Message Out to the General Public"

We'll use Zoom computer video. You may choose either 6 SUNDAY AFTERNOONS (Nov. 15 to Dec. 20) or 6 MONDAY EVENINGS (Nov. 16 to Dec. 21). If you have scheduling conflicts on any days, you may flex to the other day that week for that week's workshop. Sign up now and I'll e-mail you the link.

This series is useful for participants working on various issues. Also, if you want to schedule another series of these workshops to focus especially on your specific issue (e.g., climate or peace, economics, or _____), contact me.

These workshops are **FREE**. I donate my time in order to strengthen movements for nonviolent grassroots organizing on any issues.

Glen Anderson has been volunteering for peace and social justice continuously since the 1960's. He works especially to organize strategically effective nonviolent grassroots movements for various issues.
