

How to Make More Progress on Issues YOU Care About

The series of 6 FREE workshops listed in the box below can improve your **skills and effectiveness** for organizing at the grassroots for **any kind of issue YOU care about!** These strategies and skills can strengthen your work for peace, climate, environment, economics, social justice, criminal justice system, and other issues.

I have conducted these many times. Participants have found them **enjoyable, informative, and practical.**

Each 2-hour session includes time for discussion – and I'll e-mail you many practical handouts.

These workshops are powerful and practical for novices and experienced organizers alike:

- **People without much experience** in grassroots organizing will raise their consciousness and gain knowledge, skills, inspiration, practical tools and resources.
- **Experienced organizers** will deepen their insights and skills – and discover new practical tools and resources.

Six engaging sessions offer powerful insights, practical methods, and useful handouts:

- #2 "How to Strategize and Organize Effective Grassroots Movements"
- #3 "Organizing 101: Basic Nuts & Bolts of Grassroots Organizing"
- #4 "Using Three Models to Devise Strategies to Make Progress on an Issue You Care About"
